17 JUL 1974

MEMORANDUM FOR: Acting Director of Personnel

SUBJECT : [] the 90% Rule

Ben:

1. In line with our discussion of 16 July 1974, the [] case generated a considerable amount of discussion concerning the exact meaning of [] the authority of the DD/M&S in this area; and the possibility or advisability of having the DCI delegate this approval authority under proper guidelines. You will recall that the DCI raised questions in this area as of November 1973, and the Executive Secretary continues to feel that there is room for various interpretations of the regulation.

2. The ADD/M&S has asked that the entire issue be studied, with a view towards getting a report to the DCI. It would be appreciated if you would review the situation and forward appropriate recommendations to the DD/M&S-- with specific focus on the delegation issue.
